

Digital Drive

a dimension of the Future of Work model by JLL

At JLL, we know that real estate is more than just a physical space. It's where ambitions are achieved.

The Future of Work is JLL's outlook on the changing world of work and its impact on the next generation of corporate real estate. Harnessing digitization and rich data to enhance people and enterprise performance is at the core of the Digital Drive dimension. If you're ready to achieve your organization's digital ambitions, JLL is ready to help.
