A Few of Our Partners

## AWAIR Omni™

Awair Omni tracks the quality of your indoor air and lets you know the moment your air quality is unsafe or unhealthy.

### Sensors

- Temperature
- Humidity
- CO<sub>2</sub>
- Chemicals (VOCs)
- Dust (PM2.5)

Get a Risk-Free Trial at [awairbusiness.com](http://awairbusiness.com)

## AWAIR Dashboard™

Monitor spaces of all sizes in one simple, easy-to-use portal with access to trends and advanced analytics.
