It's time to redefine the office experience. To reinvent our spaces for today's occupants. To reemerge stronger. Join industry experts, disruptors and peers at the forefront of the commercial real estate revolution, where you'll discover groundbreaking technology and trends ready to reinvigorate your properties. Featuring new approaches to decarbonization, AI, green spaces, hybrid workplaces, high-end amenities and beyond, the 2024 BOMA International Conference & Expo is where the future will be revealed.

At the BOMA International Conference & Expo, you'll update your knowledge for the year ahead and discover innovations and opportunities that will help you further your career—all while engaging with the best network in the business. Join us and get what you need to get ahead.
