

THINK BEYOND.

The Rules Have Changed . . .

WELCOME TO
THE FUTURE.

From the company that brought the first commercially available IP Building Controller to market, 15 years later we introduce you to the world's smallest building controller - FT04.

- Opens Standards. Opens Source.
- IT, IP, IoT & Always Secure
- Nothing Proprietary.
- No Recurring Fees.
- No Exclusivity.

We invent the products that enable the innovation.

GET BACK IN CONTROL.

- OPEN TECHNOLOGY
- FLEXIBLE & AGILE
- INTUITIVE
- ADAPTABLE, SCALABLE, REPEATABLE
- SECURE
- DELIVERABLE
