

Who We Are

RealFoundations is the world's foremost provider of technology-enabled solutions focused solely on the real estate industry. Through our delivery of Management Consulting and Managed Services, we help companies that develop, own, operate, service or invest in real estate make smarter, more profitable decisions. We are proud partners to over 450 real estate companies around the globe, providing accelerated solutions that solve some of real estate's most complex challenges. **We make real estate run better.**

What We Do

We offer a range of capabilities to identify the critical areas for greatest improvement in your operating platform, and then leverage decades of accumulated industry expertise to design and implement solutions or suggest resource alternatives that help your business run better.

Management Consulting

- Strategy
- Operational Innovation
- Finance Transformation
- Performance Measurement
- Technology

Managed Services

- Accounting
- Lease
- Automation
- Data
- Application Support
- Modern Workplace

Who We Serve

Our clients are typically leaders in their industry and include the largest global REITs, investment managers, and owners, managers and developers of office, retail, industrial, multifamily and single-family assets. These organizations often share a variety of operating challenges that stem from expanding into or operating across multiple international markets. These can include cross-border issues of language, taxation, risk management, compliance, and fragmented information and supply chain systems.
