RealMassive
Commercial real estate in real-time

Take control of your data...
And save up to 10 hours per week on marketing.

We give you the tools to manage your own availabity data, research your market, and promote your spaces across the Internet, all in **real-time**.

Additionally, our marketing platform automates the process of updating CRE data companies. Enter your data once on RealMassive and it will update every site you choose.

Featured Spaces Drive 440% Increase in Page Views

HPI's listings that were featured on RealMassive's homepage received nearly four and half times more page views compared to the views on HPI's own site.

Double the Exposure

HPI reported that for the months of December 2014 to March 2015, RealMassive doubled exposure for their property listings, increasing unique monthly listing views by nearly 100%.

Up to 25% of Your Work Time Saved

RealMassive reduced time HPI employees spent manually marketing listings by an average of 8-10 hours per week.

Proud to partner with

HPI

"RealMassive syndicates our listings to the rest of the market in real-time, offering targeted visibility for our properties and empowering us with real-time, accurate insight into availabilities across the rest of the market...giving tenants the ability to make data-informed business decsions."
