## Realcomm MARKETPLACE

As the Commercial & Corporate Real Estate Technology sector continues to grow and mature, it is becoming more and more difficult for the industry to keep track of the changing landscape. In order to bridge the gap between the needs of the clients and the solutions offered by our industry vendors, Realcomm has created the “Realcomm Marketplace.” The goal is simple...to connect the client needs with the industry solutions. A Marketplace listing includes a profile of your company (list of most influential clients, geographic region, contact info, etc), hyperlink to your website, attachments of videos, pdfs, marketing material as well as social media and other links. The Marketplace list is printed in the RealcommEDGE magazine, the Realcomm | IBcon Conference Program Guide and the CoRE Tech Program Guide..
